"Wild as angels"

I remember it was warm like it used to be
Then still a child like I want to be
With heavy wings I can recall the freedom flown
That's now unknown

Sense of random
Wild as angels
This is the life that we have known

The waters of the deep they do recede
As if decided by global alchemy
With a heavy heart I can recall the freedom
That has flown
That's now unknown

Please don't ask me what I do all day
You'll get no reply from me in the nicest way
With a heavy heart I can recall
The freedom that has flown
That's now unknown
Now unknown
