Desperate for changing starving for truth
closer to where I started chasing after you

I'm falling even more in love with you
Letting go of all I've held onto
I'm standing here until you make me move
I'm hanging by a moment here with you

Forgetting all I'm lacking completely incomplete
I'll take your invitation you take all of me

Now I'm falling even more in love with you
Letting go of all I've held onto
I'm standing here until you make me move
I'm hanging by a moment here with you

I'm living for the only thing I know
I'm running and not quite sure where to go
And I don't know what I'm diving into
Just hanging by a moment here with you

There is nothing else to lose
There is nothing else to find
There is nothing in the world that could change my
mind
There is nothing else
There is nothing else
There is nothing else

Desperate for changing starving for truth
closer to where I started chasing after you

I'm falling even more in love with you
Letting go of all I've held onto
I'm standing here until you make me move
I'm hanging by a moment here with you

I'm living for the only thing I know
I'm running and not quite sure where to go
And I don't know what I'm diving into
Just hanging by a moment here with you

Just hanging by a moment
Hanging by a moment
Hanging by a moment
Hanging by a moment here with you
