All day long/
I been thinking about you/
All year long/
I been wondering about you/

For ever and ever/
For ever and ever/

Is your heart/
Still belong to me tell me baby/
Is some other love/
Loving you like I used to baby/
Is your heart/
Still belong to me tell me baby/
Is some other love/
Loving you like I used to baby "I Dont Know"

If the sun/
Fell to burn everything we knew/
In my soul/
Baby just know that I love you/

For ever and ever/
For ever and ever/

Is your heart/
Still belong to me tell me baby/
Is some other love/
Loving you like I used to baby/
Is your heart/
Still belong to me tell me baby/
Is some other love/
Loving you like I used to baby "I Dont Know"

Where you been baby/
How you been baby/
Who you been with baby/
My heart keeps missing you/
And you and only you/

Baby/

Baby/
Baby/
Baby/

Girl I already told you that this heart belongs to you
And aint no soul in this world who I'ma give it to
Only you

Is his heart/
Loving baby/
Is some other love/
Love Love Love/
