(feat. Ghostface)

[Ghostface Killah:]

Chunky, ?, Brolic, Please be careful with my chains
Stop palyin games, It costs too much
The jewelry man said it might attract feds
The few men that wanted shit was found dead
See it's not a game, The power I possess is real
Wait up, Money caked up, Tape ducts and kill
Rock my gold bow, Polo robes, Scrooge McDuck shit
Uncle Ghost will download gold, Whether sixth floor
Brooklyn house
Slid through quietly then took the house
Spazed out on the faggot then they moved me out
Hurry check the box office my new movie's out
I'm not feelin broke niggas that be frontin for nothin
Stuntin, Wanna rock Playboy I keep it comin
Word to Granny I'm quick to buck fifty somethin
I'll be right up on that ass like you sixty somethin
Come on

[Ghostface Killah:]

Big head ants, Lamps that glow
Goldfish with gold chains hangin from they necks,
They swim slow
Watch me poke Vics, Sit slick, Throw Vicks on it
Ship shit, Kick Arabic, Bag bricks, Karate kicks, Fly Wu
bitch
Don't hesitate to clap a sugar woogy, Just do it
Hop in the Buick and bounce, Harry's lounge
