I got catch up ... our flights but let me keep you in my  
phone  
And do whatever grown ups do,as soon as I get back  
home  
As soon as I get back home  
Sure they be clocking me for an hour  
... flooding me, popping bottles  
Smoke fill lungs, puffing the ...  
Stuff like...she's tall like a model  
Out to make my move,  
I'm pushing for some time I gotta take my chance  
Have some shots, have some ...  
Right before I can dance, but damn I didn't get your  
name

... it seems that I came on too strong  
So got them on the move, with a promise that I won't be  
long  
I got catch up ... our flights but let me keep you in my  
phone  
And do whatever grown ups do,as soon as I get back  
home  
As soon as I get back home

... custom rag loken, hundred... at the zebra lounge  
open  
...Rouger cuter when the joint smoking  
Stepped out...hundred g's go in, for the gamblers  
Panamera ... wassup niggas, get lasgnas...  
holding ice, rollers is rolling priceless  
Wassup home girl.. spice in it

... it seems that I came on too strong, uh  
So got them on the move, with a promise that I won't be  
long  
I got catch up ... our flights but let me keep you in my  
phone  
And do whatever grown ups do,as soon as I get back  
home

As soon as I get back home.
