Intro: Raekwon, talking to Poppa Wu  
Ol Dirty Bastard singing in the background

You know God, I just been, youknowhatl'msayin?  
Doin my regular thing man  
So I'ma get back up with you though baby  
Knowhatl'msayin? You know you my nigga kid  
I'ma always come through for you baby  
Yo man, you gotta understand, this shit is real though  
man  
All the time, word  
Yo man, that's you man  
Yo peace Rae, peace God!  
(We've got the powers to resurrect the dead)  
Whassup baby? God damn, look at you man  
Damn God, I got a shit out you man  
Man, I done watched you man, since you was a little  
crumbsnatcher  
A little weed-hopper running around here man  
Look at you baby, you look good  
(We've got the powers to resurrect the dead)  
Understand, I watched you go through a lot of trials  
and tribulations  
But you know something, like I used to always tell you  
baby  
A good listener's a good learner  
(G-O-D's my reality)  
I see you listened VERY well, understand?  
(I'm elevating strong and I'm gonna go on to the  
highest degree)  
Your time is coming baby  
See sometime, it could be like, a rear view  
Youknowhatl'msayin? And people don't know when  
their blessing comes  
But I watch you grow, man you is a very intelligent man  
Man, I watched you when I used to sit down and you  
would  
trick me out my money shootin dice, niggaz is you  
crazy?  
Ha ha ha ha ha ha!  
(G-O-D's my reality)  
Crazy you crazy man

Yo Rae, you remember that shit man?  
When we used to be down there in the hills and shit  
man?  
(I'm elevating strong I'm gonna go on to the highest  
degree)  
And you'd catch it, from Old Man Freed  
He'd be yelling "You little slick ass"  
Ha ha ha ha  
Talk to me baby, knowwhatl'msayin?  
Ha ha ha ha  
I've been through all them things, man I'm watchin you  
growin  
But remember one thing Rae like I used to tell you  
The child you was is making you the man you is today  
And if you don't know where you came from baby  
You DAMN sure know that you don't know where you  
going  
Can you see what I'm saying?  
Know which way you travelling  
(We've got the powers to resurrect the dead)  
You understand? And follow that destiny, follow the  
light  
And it'll set you free  
(Ohh, G-O-D's my reality)  
Cause I've watched you baby  
You my main man  
Yeah  
(We're elevating strong and we're going on to the  
highest degree)

Now that could be the Wu-Tang production  
Start to knuckle up and, gun shots start to click the  
block's duckin  
Could it be, and would it be, that we was babies  
Catchin, rabies, niggaz seem to act crazy  
Day one, in my spot July the tenth  
I had a mint, stickin up Devines hittin them with nines  
I was toxie, from layin up in Roxie's all night  
This nigga bust a shot, lick my man's wife  
It was havoc I contact the Abbot  
He shook the shoulder though, then he passed the phat  
chrome automatic  
We goin to war, you know we headed to the floor  
He woulda, did it, for me fuck it, let's mosie  
Schemin dough, with the P.L.O., wrapped on tight  
Sayin in my mic "Yo we gotta go"  
My first impression was to add some lessons  
Question, one, what made you even show your gun and  
blow the session?  
He replied and rocked the green eye  
And yo, he started, yellin "Them niggaz sellin two for

fives!"  
But he's a goner and I got my corner  
What, I'm feedin my babies, Cash Rules for mortal  
daughters

Yeah, Rae baby  
Feedin my babies, Cash Rules for mortal daughters  
Only God is the son of man  
(We've got the powers to ressurect the dead)  
I'll say it one time, and be ceratin that fake God does  
not exist  
(Ohh, G-O-D's my reality)  
(I'm elevating strong we're gonna go on to the highest  
degree)  
This is why the universe, has itself balanced the scale  
of devine knowledge, and it was measured by the  
portion  
of solid knowledge  
No man, can judge for another  
But each man must weigh all facts and circumstances  
And find truth in his own judgment of righteousness  
See, the way to evil, balance equality in no man  
For no man is good and bad at the same time  
Either you good, or you bad
