[Intro: Raekwon]

Niggas is sitting around, selling it for money  
What the fuck is that? Chill chill what up?  
Stop playing, man, man, you know what it is, man  
Fuck that, you know what it is, yo, nigga what up?  
Where that money? Man, yo, yo, yo, come here!  
Stop acting like you don't know, you already know

[Raekwon:]

Aiyo, Indian head, jewelry  
Out in Egypt with the wrists of fury  
Spanking bracelet, rocking Asics  
Trick bandit, Ghost is brick granite  
At the U.S. Open with my whole len, slapping up fifty  
scramblers  
Niggas said the II was classic, a lot of crack is in the  
game, yo  
But your shit is the only 'lastic  
C.R.E.A.M. rap, militant flow, combination with Swahilian  
dough  
Guaranteed we do'se that, in the beast like pizzas  
All I know is reefer and street stuff  
Stay fly, moving in fleece, what?  
Traveling the continents with confidence  
Cuban Linx III coming, don't know when, but the time is  
running

[Sample: Ol' Dirty Bastard from "As High As Wu-Tang  
Get"]

Duh-duh-duh-duh-duh-duh-duh, duh-duh-duh-duh-duh-  
duhhhh

You bitch ass niggas...

[Ghostface Killah:]

By any means on, Ron O'Neal lean on  
Freestyle, you want it from Ghost? Then throw  
C.R.E.A.M. on  
Suited up, smelling like Fahrenheit with jeans on  
Knock the rice out a wedding, come and get your bling  
on  
Next winter we in Allah cabins, small baggage, more

savage  
Central Park killas, that equals more stabbings  
You read the papers, more horrors like Amityville  
Profanity kills, you like lint on a raggety silk  
We rock bulls, rock jewels, you heard the interludes  
Blow up beds in a fifty yard swimming pool  
Jumping out of planes for dough, Gucci parachutes  
Abdul Raheem written across is the attribute  
Suede loafers, 'Lo scarves, my little grandson want  
The 20-10 Mercedes-Benz go kart  
So he can pull out the lollipop keys on 'em  
His pops'll push the Bugatti drop V on 'em  
Stampede on 'em, Rap Playoffs got a three-nothing  
lead on 'em  
Sparking MC's like we quoting our degrees on 'em
