# "Whores"

[Raekwon:]
Snatch the bitch wig off, give up that pussy, ho, get off
We taking that, Benjamin Franklin pussy, blinking that
C.C.B., Barbara Streisand, Cali sisters in the right hand
Rip the shirt off, had a nice pair
Twelve o'clock, afternoon boom, fucking from room to
room
Enough to zoom, ten minute a wound, I comfort this
Stark confronting her, hello, miss-miss, come out the
Tyra bra, miss
Marvelous, awesome bitch, out as a rich
Fly groupie bitch, crazy cum color, Penela' swiss piss
Dirty burst on her, wipe his dick on her lips
Slow the fuck down Rich, half his wrist up in the uterus
She spoke, "I'm tellin' Louis Rich", Max, shoot the bitch
Rollie was rooting this, Goldie hardly spoke, shit was
ludicrous
She bit his dick, God wilded on her with a kick
Bobby stressed out, just like life is like a lighter
Lit a gal' on her, boo, stop wilding, for real, lighten up
For Noodles caught a lapdance, pussy clap-clap just
like a tapdance
Let her fuck you on your head, go to bed
Delrio the Leo, hot pelepeno, lace a Gambino nigga,
right
Wash knobs for free, though, only me though
Hah, polishing wax floors, she's a real whore
Keep it raw, you break law? My cousin Blake break jaws
We all raw, broke bitch, try to come aboard
Snort on the right, ho, now right as a core
I'm only fucking ya'll, cause ya'll on, keeping my legs
strong
You dead wrong, talking that shit, giving me head
wrong
Sextress, dress ya ass off, bullshit necklace
Here, rock this robe, if you lose it, death wish
More head, we all getting feds, forget
Down the lamb spread, buying the right bread, Nike
head
Dike head, married a white dread
Drive a snow white five, died in the air, swallowing

white shit
Whores, they never listen, what? The girl's a whore
Come on...
