[Intro: Raekwon]

What up, what up?

Yeah.. this is another one! Let's go, n*gga

Raekwon... turn it up... Shallah, what up

Yeah... all my n*ggas been waiting for this one

What's going on, man? What is it?

[Chorus: Kobe]

Hey, little mama, I got some of that, Bon Jovi, you know me

Have you flying in the air, like you living on a bird,
aooow

We on the corner serving that rock and roll, rock and roll,
rock and roll

Posted on the corner, with that rock and roll, rock and roll

[Raekwon]

Willie Nelson n*gga, we run flusty, Crocodile hat
Cowboy rap, hammer game trusty

Diamonds on from Ghana, Boca retire in a yacht
With the middle name Lex, pop my llama

Movies get made in HD, me against your eighty-three
I'mma scalp faces, so scrape meat

It's nothing you can do with my real n*ggas

Not the ones I rest my head with, my son a real pi-
piranha

Yup, two wheel scooters, the new rugers

Floating through the Beverly Center

Counting ten up with my shooter

All of these is high powered, Bob Dylan style, my n*gga

Posted up, yeah, frontin in Mr. Chow's

Titanium hustler, switch color, most of them rich
brothers'll

Hold they own, f*ck it and switch numbers

Luggage's, the real sh*t, who kill sh*t

N*ggas is nothing, blow a blunt and we peel sh*t,
what?

[Chorus: Kobe]

Hey, little mama, I got some of that, Bon Jovi, you know

me

Have you flying in the air, like you living on a bird,
aooow

We on the corner serving that rock and roll, rock and
roll, rock and roll

Posted on the corner, with that rock and roll, rock and
roll

Hey, little mama, have you ever took a hit of Mick
Jagger

Yeah, I bet it will blast ya

Now take a hit of this rock and roll, rock and roll, rock
and roll

It's some powerful sh*t!

[Ghostface Killah]

Yo, everything platinum, even my baggage

You want a platinum rock? Then go see Larry

He got the yellow hat, yellow Maxes Air, looking like me

With a yellow bat pretty long hair,

Suck a d*ck like Karrine Steffans

With Bobby Brown on speed dial,

His ex dial stay on the check-in

I got that Mickey, baby, little mama

I got the bomb, call me Tom Brady

Move like a running back, 21 Tomlinson

Know how to push it back, you should pay homaging

Sh*t is too potent, make you feel like vomiting

Your black/white birds can give me five like Donovan

Pop the champagne for the illest hustler in the game

I got the Pink Floyd, Ozzy all day

And I ain't even mention my dillsnick

Cuz I don't wanna have you fiend't out over this real
sh*t

[Chorus: Kobe]

Hey, little mama, I got some of that, Bon Jovi, you know
me

Have you flying in the air, like you living on a bird,
aooow

We on the corner serving that rock and roll, rock and
roll, rock and roll

Posted on the corner, with that rock and roll, rock and
roll

Hey, little mama, have you ever took a hit of Mick
Jagger

Yeah, I bet it will blast ya

Now take a hit of this rock and roll, rock and roll, rock
and roll

It's some powerful sh*t!

[Jim Jones]

Rock star like you Red Hot Chilli Peppers
I can't front this red drop got me feeling extra
I drop the top so I can show the stones
I got the sour so I'm Rolling Stones
I'm popping sh*t on my mobile phone
I never slip cuz I keep the fully loaded chrome
And half my n*ggas need to stay a fam
That's why we pour liquor for the Grateful Dead (we miss you)
And where I'm from it's either Guns or Roses
And f*ck with me, you need a bunch of roses
And lord knows I keep the Led Zeppelin
A n*gga front and then we back wrestling
And you can tell when b*tches feeling me
We got that white girl, n*gga, Sheila E.
Diplomats, we the eagle
We finna be greater than The Beatles, go

[Chorus: Kobe]

Hey, little mama, I got some of that, Bon Jovi, you know me
Have you flying in the air, like you living on a bird,
aooow
We on the corner serving that rock and roll, rock and roll, rock and roll
Posted on the corner, with that rock and roll, rock and roll
Hey, little mama, have you ever took a hit of Mick Jagger
Yeah, I bet it will blast ya
Now take a hit of this rock and roll, rock and roll, rock and roll
It's some powerful sh*t!

[Movie sample]

And Brother Chin-Chang, I'm sorry, hehe
