[Intro: Raekwon]

N*ggas is sitting around, selling it for money
What the f*ck is that? Chill chill what up?
Stop playing, man, man, you know what it is, man
F*ck that, you know what it is, yo, n*gga what up?
Where that money? Man, yo, yo, yo, come here!
Stop acting like you don't know, you already know

[Raekwon]

Aiyo, Indian head, jewelry
Out in Egypt with the wrists of fury
Spanking bracelet, rocking Asics
Trick bandit, Ghost is brick granite
At the U.S. Open with my whole len, slapping up fifty
scramblers
N*ggas said the II was classic, a lot of crack is in the
game, yo
But your sh*t is the only 'lastic
C.R.E.A.M. rap, militant flow, combination with Swahilian
dough
Guaranteed we do'se that, in the beast like pizzas
All I know is reefer and street stuff
Stay fly, moving in fleece, what?
Traveling the continents with confidence
Cuban Linx III coming, don't know when, but the time is
running

[Sample: Ol' Dirty Bastard from "As High As Wu-Tang
Get"]

Duh-duh-duh-duh-duh-duh-duh, duh-duh-duh-duh-duh-
duhhhh
You b*tch ass n*ggas...

[Ghostface Killah]

By any means on, Ron O'Neal lean on
Freestyle, you want it from Ghost? Then throw
C.R.E.A.M. on
Suited up, smelling like Fahrenheit with jeans on
Knock the rice out a wedding, come and get your bling
on
Next winter we in Allah cabins, small baggage, more

savage
Central Park killas, that equals more stabbings
You read the papers, more horrors like Amityville
Profanity kills, you like lint on a raggety silk
We rock bulls, rock jewels, you heard the interludes
Blow up beds in a fifty yard swimming pool
Jumping out of planes for dough, Gucci parachutes
Abdul Raheem written across is the attribute
Suede loafers, 'Lo scarves, my little grandson want
The 20-10 Mercedes-Benz go kart
So he can pull out the lollipop keys on 'em
His pops'll push the Bugatti drop V on 'em
Stampede on 'em, Rap Playoffs got a three-nothing
lead on 'em
Sparking MC's like we quoting our degrees on 'em
