Streak of lightning coming down the highway  
turn around and watch it go  
switch on the lights  
put on the highbeams  
better find a preacher on the radio

I like to drive at 105  
its just how fast i got to go  
i got the gears and i got the motor  
aint no reason to go slower  
and i like the speed i like the motion  
i like the rockin machine  
i like to drive at 105  
better hurry up if you wanna catch me

neon sign flashin by like something in your eye  
Elvis on the radio almost makes you cry  
falshing lights in the rearview you know  
payin many mile step on the gas pull out to pass and  
leave em far be hind

I like to drive at 105  
its just how fast i got to go  
i got the gears and i got the motor  
aint no reason to go slower  
and i like the speed i like the motion  
i like the rockin machine  
i like to drive at 105  
better hurry up if you wanna catch me

you shouldnt ought to done it honey you shouldnt  
ought to run around  
but two cant be on the highway darlin and i'M THE ONE
