Hey, suckers!
What's that fuckin' silence in this place?
Wake up muthafuck!
I ain't got no time to waste
Come on, now!
Huh!

Do what you want to do! Do what you want to do!
Go where you want to go! Go where you want to go!
Say what you want to say! Say what you want to say!
Fuck who you want to fuck! Who you want to fuck?

I - I love you...
I - I hate you...
I - I love you...
I - I hate you...

Stop the silence!
Silence is dead!
Stop the silence!
Silence is dead!
Stop the silence!
Silence is dead!
Stop the silence!
Right now!

Don't try to hide, don't try to run
Cain killed Abel, ain't fun!
Don't give up if you don't make it once
It's time when killers become TV stars
Feel the diference: right and wrong
In a free country feel so strong
There is no colors, just black and white
No-one knows, what's on the other side

I - I love you...
I - I hate you...
I - I love you...
I - I hate you...

Stop the silence!

Silence is dead!
Stop the silence!
Silence is dead!
Stop the silence!
Silence is dead!
Stop the silence!
Right now!

Huh!
You think that you're a big dog, if your
Friend is the president?
So fucking what! I don't give up!
Yeah, he said that he is a god
Huh! Huh! Huh!
I got a gun and I kill your dog!

Do what you want to do! Do what you want to do!
Go where you want to go! Go where you want to go!
Say what you want to say! Say what you want to say!
Fuck who you want to fuck! Who you want to fuck?

I - I love you...
I - I hate you...
I - I love you...
I - I hate you...

Stop the silence!
Silence is dead!
Stop the silence!
Silence is dead!
Stop the silence!
Silence is dead!
Stop the silence!
Right now!
