Oh the night is my world  
City life painted girls  
In a day nothing matters  
It's the night time that flatters  
Oh the night no control  
Through the wall something breakin'  
Wearin' white as you're walkin'  
Down the streets of my soul  
You take my self you take my self control  
You got me livin' only for the night  
Before the morning comes the story's told  
You take my self you take my self control  
Another night another day goes by  
I never stop myself to wonder why  
You're makin' me forget to play my role  
You take my self you take my self control  
I i live among the creatures of the night  
I haven't got the will to try and fight  
Against a new tomorrow  
So i guess i just believe it that this night will never go  
Night i'm livin' in a moment of a dream  
I know that life is not as it would seem  
I must believe in something  
So i make myself believin' that this night will never go

Oh the night is my world  
City life painted girls  
In a day nothing matters  
It's the night time that falatters  
You take my self...  
I said i i live among the creatures of the night  
I haven't got the will to try and fight  
Against a new tomorrow  
So i guess i just believe it that tomorrow never knows
