Lunatic lu(verse 3)

Let me love you, cause I am doing it
You the best shawty and I am throwing it
Put your hands on my body, you'll
Be doing it, trying to be the best man
That you never had, what I am feeling
For you makes me so sad, everywhere
I see you girl I go mad, open up your
Heart lunatic wanna get, before I enter
My grave I wanna let it in, let me love you
Before I die, when I am gone you'll be praying
To the sky, I never come back, please don't cry
Lunatic's the best finish line.
