Verse 1: Nino)

Stinkin' bitch put me out

For the 3rd time

With nothin' but my 9 on my waist line

Its the same shit

With them stinkin' hoes

Everythings cool

"When you buyin' me clothes?"

Used to make 'bout 4 Gs a week

Didn't have a problem I could freak

Bitch was copin' my money with me nightly

"What you thinkin' bout cheatin'?"

Not even slightly

See everybody movin' by my nickname

And knew I was real 'bout the dope game

Last night trappin'

Hit an all-time

Three different drug sales in the same time

My partner in crime was my girl an' shit

Loved talkin' about money dopes and clips

All the time I thought she was in it to win it

Stank hoe was just in it to spend it

But fuck y'all niggas

Get off my nuts girl

Fell out with my boys over my girl

I know something

It's true

Even Nino got pussywhapped too

But all the sudden

Momentum shifted

But I could see it

I was constantly spifted(?)

Somebody hit my whole fuckin' stash, boi

And got me for my whole fuckin' jackpot

(Verse 2: Wicked)

Now hoes some with game out the top

Have your Beemers all over the whole damn block

You couldn't tell me I wasn't a G

Cause I be fuckin' other people's pussy

And that's about the time I heard the rap

A nigga fuckin' my girl from the trap

Niggas knew about my llello

'Bout my funds

Knew about my house in 'Copiton

What's that runnin'

I heard that same shit from satan

Ignore 'em! said he was gangsta hatin'

I got a break to my homey

But he killed me when I said I was a phony

But I don't give a fuck

I'm goin' for cell black

Man fuck these niggas and bitches

I got crack

But them fake

I love them niggas at heart

They picked me up when I was sleepin' in the park

See all my life I had trouble

My main man Nino

Held me out through the struggle

'Cause I got a lot of shit on my mind

I can't believe I thought my boy robbed me blind

Fell wack to the bitch

Gave her cards and cribs and all that shit

But now I'm back with the Click

Man fuck a bitch

(Verse 3: Wicked/Nino alternating)

Never let a bitch really know you know 'em

And of they act up you better blow 'em

All bitches are tricks and thats a fact

And never let a bitch know where your stash is

Man a bitch ain't nuthin' but a bill

Knowsomethin' a bitch ain't shit but a thrill

I kill a bitch like it ain't shit

Nino

Fuck a bitch
