"Here Sits A Monkey"

Oh, here sits a monkey on the chair, chair, chair
He lost all the true loves he had last year
So rise upon your feet
And greet the first you meet
The happiest one I know

Oh, here lies the monkey under the chair, chair, chair
He lost all the true loves he had last year
So rise upon your feet
And greet the first you meet
The happiest one I know

Oh, here plays the monkey by the chair, chair, chair
He lost all the true loves he had last year
So rise upon your feet
And greet the first you meet
The happiest one I know
