Digging, digging  
This is how we dig the ground  
In our garden, in our garden

Digging, digging  
This is how we dig the ground  
Early in the morning

Hoeing, hoeing  
This is how we hoe the weeds  
In our garden, in our garden

Hoeing, hoeing  
This is how we hoe the weeds  
Early in the morning

Planting, planting  
This is how we plant the seeds  
In our garden, in our garden

Planting, planting  
This is how we plant the seeds  
Early in the morning

Growing, growing  
This is how the peas will grow  
In our garden, in our garden

Growing, growing  
This is how the peas will grow  
Early in the morning

Picking, picking  
This is how we'll pick the peas  
In our garden, in our garden

Picking, picking  
This is how we'll pick the peas  
Early in the morning

Eating, eating  
This is how we'll eat those peas

From our garden, from our garden

Eating, eating

This is how we'll eat those peas

Early in the morning
