One Sun, One Light

One light, one sun... one sun lighting everyone.  
One world turning...one world home for everyone.

One world, one home... one world home for everyone.  
One dream, one song...one song heard by everyone.

One love, one heart... one heart warming everyone.  
One hope, one joy... one love filling everyone.

One sun, one light... one sun lighting everyone.  
One world turning... one world home for everyone.  
One world, home for everyone.
