"Time To Sing"

Visit "[Time To Sing](#)" on MotoLyrics.com

It's time to sing a song or two
You with me and me with you
Time for us to sing a while
Hey hey hey

It's time for us to clap our hands
In rhythm with the beat
Time for hands to clap awhile
Hey hey hey

CHORUS:
And it's time for saying hi and hello (Hi Raffi)
Let's all sing a song that we know

It's time for us to tap our toes
Together with our feet

Time for toes to tap awhile
Hey hey hey

CHORUS

It's time to make a sound you like
Brr brr brr brr brr brr brr
Scootily yop bob be ba ba
Bop bop diddly dee

It's time to sing a song or two
You with me and me with you
Time for us to sing a while
Hey hey hey

I'm singing hey hey hey
We're singing hey... hey hey hey
