To everyone in all the world,
I reach my hand I shake their hand.
To everyone in all the world,
I shake my hand like this.

All all together,
The whole wide world around,
I may not know their lingo,
But I can say by jingo,
No matter where you live we can shake hands.

All all together,
The whole wide world around,
I may not know their lingo,
But I can say by jingo,
No matter where you live we can shake hands.

A tous et chacun dans le monde
Je tend la main, je leur donne la main
A tous et chacun dans le monde
Je tend la main comme Å§a

Tous, tous ensemble
Au monde entier je chante
C'est trÅs facile entre humains
Avec une poignÅ©e de mains
N'importe oÅ dans le monde on peut s'entendre

To everyone in all the world,
I reach my hand I shake their hand.
To everyone in all the world,
I shake my hand like this.

All all together,
The whole wide world around,
I may not know their lingo,
But I can say by jingo,
No matter where you live we can shake hands.
