I Just Had My Orange Juice, I'm putting on my Walking
Shoes
I'm Headed out that old front door I'm Gonna walk
Walk to School I'm Gonna walk walk walk
walk to school I'm Gonna walk walk walk,
walk to school see me walk walk walk, walking on down
to school

well i put one foot in front of the other,
take one step and then another,
that's how I walk, that's how I walk
see me Walk Walk Walk, Walking On around The town

I'm gonna take my baseball glove, I'm gonna take my
Skipping Rope
I'm gonna call some ducks i know we're gonna walk,
walk to the park

we're gonna walk walk walk, walk walk
we're gonna walk walk walk quack quack
were gonna walk walk walk walking on down to the
park.

Well its 1'o clock. 2'o clock, 3'o clock walk
4'o clock, 5'o clock, 6'o clock walk
7'o clock, 8'o clock, 9'o clock walk
We're gonna walk, around the block tonight
we're gonna walk walk walk, walk walk
we're gonna walk walk walk, walk walk
see me Walk Walk Walk, Walking On around The town
