Come on come on come on come on now cook for me
Can't you see that I am not afraid. What was that
promise that you made?
Why won't you tell me what I said? What was that
promise that we made?
Now I'm gonna love you till the Heavens start the rains.
I'm gonna love you till the stars fall from the sky for you
and I.
Come on come on come on come on now cook for me
Can't you see that I am not afraid. What was that
promise that you made?
Why won't you tell me what you said? What was that
promise that we made?
Now I'm gonna love you till the Heavens start the rains.
I'm gonna love you till the stars fall from the sky for you
and I.
(solo)
