We're gonna wake this city tonight  
Oh, watch it burn into the twilight  
I said hey, hey, hey this is our birthright  
To be bought and sold, shipped off ready to die. We're  
ready to fight.

We're going bom bom bom. Bom bom away bom.  
Bom bom, bom bom.  
We go bom bom, bom bom away bom. Bom bom, bom  
bom.

I can't drink or drive a tank at nineteen  
So I set off to join the U.S. Army  
The first time I left my country  
I felt the desert sand marchin' under my feet. Come  
march with me.

We're going bom bom bom. Bom bom away bom.  
Bom bom, bom bom.  
We go bom bom, bom bom away bom. Bom bom, bom  
bom.

We're gonna take this city tonight  
We're gonna shake this city 'til broad daylight  
We're gonna take this city tonight  
We're gonna shake this city 'til broad daylight  
Shake it. Oh shake it.

I said: No NYC, Los Angeles  
No Saint Louis, no New Orleans  
No you and me, no you and me, no sympathy  
Cause we're gonna bring them, bring them to their  
knees

We go bom bom bom, bom bom away bom. Bom bom,  
bom bom.  
We go bom bom, bom bom away bom. Bom bom, bom  
bom.

We're gonna take this city tonight  
We're gonna shake this city 'til broad daylight

We're gonna take this city tonight  
We're gonna shake this city 'til broad daylight  
Shake it. No brights lights, no more big city.  
Shake it. No brights lights, no more big city.  
Shake it. No brights lights, no more big city.  
Shake it. No brights lights, no more big city
