I've been here for so long answering prayers  
God and faith have since gone, they've disappeared  
Man ate man before he amen against our will  
And he who suffers will suffer this guild

Everybody, everybody, everybody  
Ignore them orders  
Ignore them orders  
Ignore them orders  
'Cause god made hate

All hail die the maker  
Make him walk in death  
In the house of abortion  
I bleed intenseive care  
And the past has been forgotten  
The end is near  
I've been here for so long  
Gambling prayers

Everybody, everybody, everybody  
Ignore them orders  
Ignore them orders  
Ignore them orders  
Come bleed our fathers  
God bless our mothers  
'Cause god made hate

Then God made you

He'll televise my suicide  
For the rest of you  
Decide for the rest of you  
That heaven is His waiting room  
Heaven is a waiting room

Ignore them orders  
Ignore them orders  
Ignore them orders  
Come bleed our fathers  
God bless our mothers

God made hate  
God made hate then God made you  
God made hate  
God made hate then God killed you  
Praise the Lord, praise the Lord  
Come praise the Lord  
Come on get on your hands and knees and pray
