Hey hey you you
You got the skin of a tiger
I said hey hey you you
You got the head of a lion
You beg steal a soul or leg
Of a hopeless child
You prey feed grow strong again
Repeat the cycle

You are the monsters
Monsters of man
Training young monsters to be good men
You are the monsters
Monsters of man
And you're so gung-ho

Hey hey you know I got
The hands of a fighter
I've drank the Red Sea
I've drained the Nile
I'll rise fall sin repent
I'll die once silent
But you can't keep
Me young or old in this
Sieve or fire

You are the monsters
Monsters of man
Training young monsters to be good men
You are the monsters
Monsters of man
And you're so gung-ho
So gung-ho

You're dancin' with fire
You can't tame my desire
You're out of control
Now I've spread my fire
And you've lost control
