and the right ate the world on all fours, on all fours/and  
the big boys cry like girls on all ours, on all fours/and  
everybody wants to love someboy now tht there's no  
one to love/and everybody wants to kill somebody now  
that fucking them just isn't enough/no no no no /don't  
believe don't believe don't believe in police sir/pin me  
down, kiss the ground cause I wear tight blue  
jeans/federalize, circumcise, put a bullet in their lies lies  
lies lies/don't believe, don't believe don't believe in  
police sir/praise the paraplegic on all fours on all  
fours/all hail the databased on all fours, on all  
fours/and everybody wants to love somebody now that  
there's no one to love/and everybody wants to kill  
somebody now that fucking them just isn't enough/non  
no no no/don't believe don't believe don't believe in  
police sir/pin me down kiss the ground cause I WEAR  
TIGHT blue jeans/federalizeb circumcise put a bullet in  
their lies lies lies lies/don't believe don't believe don't  
believe in police sir/now pick out all the haters on all  
fours on all fours/turn in all your neigh everybody  
wants to kill somebody now that fucking them just isn't  
enough, no no no no/  
don't believe don't believe don't believe in police sir/pin  
me down kiss the ground cause I WEAR b thight blue  
jeans/federalize, circumcise, put a bullet in their lies  
lies lies lies/don't believe, don't believe don't believe in  
police sir
