This journey started long ago
When will it end? I don't know
My ship's been stranded many times
I've missed some chances, yes I know

My tale is not 'bout a hero
Anyway but the stone
And the flute are with me

A pilgrim's path
A pilgrim's path
A pilgrim's path
A pilgrim's path

I was a boy when Arnie died
He put it all in my hands
This was the time I had to leave
On this path with no release

Though I've been seeking
For a lifetime
I don't know
Exactly what I'm searching for

A pilgrim's path
A pilgrim's path
A pilgrim's path
A pilgrim's path

I have begun to settle down
Still there's a hole in my life
This cannot be the reason why
I was born, restless heart

Maybe that I'm not alone here
What will I find
If I leave to seek new shores?

A pilgrim's path
A pilgrim's path
A pilgrim's path
A pilgrim's path

A pilgrim's path
(Give me one more chance)
A pilgrim's path
(Please don't leave me here)

A pilgrim's path
(Show me what I missed)
A pilgrim's path
