"Black In Mind"

I've seen it coming, it's got to be
No illusions at the turning of the century
All our wishes forever free
All destroyed because somehow we lost the master key

Leaving my dreams far behind
Got no ambitions in time if only I'm so

Black in mind, when there's no point in making it
Black in mind, when there's no hope for love, I'm so
Black in mind, when these madmen are wasting it
Black in mind, I don't want to be sacrificed for
A territorial war, leave me alone, I'm so black in mind

You made me want it, too blind to see
That all it gave me were illusions of reality
My eyes got used to the things they've seen
Now where's the difference between my life and the TV
screen

Leaving my dreams far behind
Got no ambitions in time if only I'm so

Black in mind, when there's no point in making it
Black in mind, when there's no hope for love, I'm so
Black in mind, when these madmen are wasting it
Black in mind, I don't want to be sacrificed for
A territorial war, leave me alone, I'm so black in mind,
black in mind
I'm so black in mind

Leaving my dreams far behind
Got no ambitions in time if only I'm so

Black in mind, when there's no point in making it
Black in mind, when there's no hope for love
I'm so black in mind, when these madmen are wasting
it
Black in mind, I don't want to be sacrificed for
A territorial war, leave me alone, I'm so black in mind,
black in mind

I'm so black in mind
I don't want to be sacrificed for a territorial war
I don't want to be sacrificed for
Leave me alone, I'm so black in mind, so black in mind
I'm so black in mind, black in mind
