What's this look inside my eyes?  
This haunted creature, me  
What's this thing there in my back?  
So strong but not to see

Why is it that we're drowning in pain? Yeah

There's nothing evil here to stay  
But fear in ourselves  
There's not a chance to find our way  
With fear in ourselves

We're possessed to take control  
To rule our world of sin  
Lower you to lift me up  
I cannot trust within

Why is it that we're drowning in hate? Yeah

There's nothing evil here to stay  
But fear in ourselves  
There's not a chance to find our way  
With fear in ourselves

With fear in ourselves  
With fear in ourselves

There's nothing evil in this world  
But fear in ourselves  
There's nothing evil in this world  
But fear in ourselves

But fear in ourselves  
But fear in ourselves
