Music and Lyrics by P. Wagner.  
The wall inside, he built to defend himself.  
He needs to hide, to keep independency.  
The race is on, it can't be won.  
A fortress in you head  
one step among the dead.  
Security for fear,  
a fortress, caging in  
for what you're here.  
The pain inside, disappointments everyday.  
To keep his pride he can't find a better way (than)  
to lock his mind, though he'll lose life.  
A fortress in you head  
one step among the dead.  
Security for fear,  
a fortress, caging in  
for what you're here.  
A fortress in you head  
one step among the dead.  
Security for fear,  
a fortress in you head, oh.  
A fortress caging in,  
unreal behind your grin.  
Security is lie,  
a fortress caging in untill you die.
