[Music: Victor Smolski]

[Lyrics: Peavy Wagner]

This is the time, this is the place for me  
They brought me back to life again  
It was for seen a long, long time ago  
I'm coming back, I shall return

Everything I've seen  
All the places I have been  
And the secrets of the earth  
Have been given at my birth  
I withstand all that's worse

I'm human metal, yes, I am real, I'm human metal  
I'm human metal and I am made to give you back what  
you have lost  
I'm human metal, yes, I am real, I'm human metal  
I'm human metal  
And I am made to give you back what you have lost so  
long ago

Organic life is pumping through my veins  
A hard drive's working in my head  
My ears are trained to catch the tiniest sound  
I'm powered by the notes I get  
Made of blood and steel  
A machine but I can feel  
Activated by the sound  
Of the music that's around  
A raging metal pound

I'm human metal, yes, I am real, I'm human metal  
I'm human metal and I am made to give you back what  
you have lost  
I'm human metal, yes, I am real, I'm human metal  
I'm human metal  
And I am made to give you back what you have lost so  
long ago  
Made to save your life and make you grow  
A majestic symphony is life, so give up misery  
Now raise your head and listen what's to come...
