Deadly as a viper  
Peering from its coil  
The poison there  
Is coming to the boil

Ticking like a time bomb  
The fuse is running short  
On verge of shaping  
If it's caught

And all the pressure  
That's been building up  
For all the years, it bore the load  
The cracks appear, the frame

Starts to distort  
Ready to explode  
Jawbreaker

Crouching in the corner  
Wound up as a spring  
Piercing eyes that flash  
Are shimmering

Muscles all contorted  
Claws dug in the dirt  
Every once fiber on alert

And all the pressure  
That's been building up  
For all the years, it bore the load  
The cracks appear, the frame

Starts to distort  
Ready to explode  
Jawbreaker
