This is mine, here's where my home is  
I don't wanna let you break into my world  
All my life I've been looking for something that's my  
own  
I'm so glad I found it now

Don't you step on this ground  
I don't want to lose an inch of my freedom  
I'll lose my soul if you steal my refuge

Leave my cloud and stay away  
This is my refuge  
Play your dirty tricks, my friend  
But leave my refuge

I grow stronger and you feel smaller  
Guess that's your reason for taking up my time  
With every secret that you make public  
Your influence on my life grows, ain't this true?

Don't you step on this ground  
I don't want to lose an inch of my freedom  
I'll lose my soul if you steal my refuge

Leave my cloud and stay away  
This is my refuge  
Play your dirty tricks, my friend  
But leave my refuge

Don't you step on this ground  
I don't want to lose an inch of my freedom  
I'll lose my soul if you steal my refuge

Leave my cloud and stay away  
This is my refuge  
Play your dirty tricks, my friend  
But leave my refuge

Leave my cloud and stay away  
Leave my cloud and stay away  
Leave my refuge
