[Lyrics by: P. Wagner]

Leave here; turn back;
More beer; one track;
Hot sun -caribbean; blue sea - palm tree beach;
Hotel - behind the dunes; leisure time - animator;

Round trip, hip-grip, bullshit, fit - hit
Groovin' away in the heat of the car
Round trip, hip-grip, tourist's madness
Sweating away in a first class hovel

Guest loo; french food;
Sightseeing - tourist guide; bus tour - standard price

Round trip, hip-grip, bullshit, fit - hit
Groovin' away in the heat of the car
Round trip, hip-grip, tourist's madness
Sweating away in a first class hovel

Good skiing! Mountaineer;
Alpine - snow bunny; divine - modest dirndl;

Round trip, hip-grip, bullshit, fit - hit
Groovin' away in the heat of the car
Round trip, hip-grip, tourist's madness
Sweating away in a first class hovel

Round trip, hip-grip, bullshit, fit-hit,
Tourist's madness, hip-grip, round trip!
