[Lyrics by: P. Wagner]

How many men have been killed 'cause of religion?
For example Iran and Irak, this war is going on
For more than a decade.

It is more than ridiculous how these brothers
Kill themselves for the geed of might
That their leaders covered real clever
With the name of a god

Religious
This is sinister thinking
Fanatics
Ruled by sinister thinking

They drill this evil spirit in their children's heads
So there's no ending in sight, no
Religious
This is sinister thinking
Fanatics
Ruled by sinister thinking

Madmen, madmen
Killing their lands

In east and west
There is sinister thinking
Religious
This is sinister thinking
Fanatics
Ruled by sinister thinking
