One more

Hear me, what I've got to say  
I know you and get you anyway  
See me walking by your side  
I'm with you forever day and night

Hey man, I'm your worst choice  
You don't know, I want it so  
Hey man, I'm your dark voice  
You don't know where we will go  
Straight to Hell, straight to Hell

Listen, listen what you said  
I've taught you and you have learned your lesson  
Feel me, when you feel the pain  
I want you and I am goin' to get you anyway

I look like the easy way  
The truth to be found  
I seem to be innocent  
I'm comin' around, I'm comin' around

I'm your worst choice  
You don't know, I want it so  
Hey man, I'm your dark voice  
You don't know where we will go, yea  
You don't know where we will go  
Straight to Hell, straight to Hell  
Hey, well

I look like the easy way  
The truth to be found  
I seem to be innocent  
I'm comin' around, I'm comin' around

I'm your worst choice  
You don't know, I want it so  
Hey man, I'm your dark voice  
You don't know where we will go  
Hey man, I'm your worst choice  
You don't know, I want it so

Hey man, I'm your dark voice  
You don't know where we will go, yea  
You don't know where we will go  
Straight to Hell, straight to Hell
