I've never believed in miracles I rarely even cried  
But you never know the day when things will change  
You came to me and gave me back what I have left  
unpaid  
And to see myself, it felt so very strange

The mirror in your eyes  
(The mirror in your eyes)  
Is tellin' me what I've become alive and that is why  
The mirror never lies  
(There's pain inside your eyes)  
The mirror in your eyes, yeah

I never thought of consequences bringin' life to fall  
Though I want to love instead I pull you down  
How can I be this way when I don't feel like this at all  
And you know how much I need to be around

The mirror in your eyes  
(The mirror in your eyes)  
Is tellin' me what I've become alive and that is why  
The mirror never lies  
(There's pain inside your eyes)  
The mirror in your eyes, yeah

Painful I'm learnin'  
In Hell I am churnin'  
I see my reflection in you  
A monster returnin'  
A heart that's still burnin'  
I see my reflection in you

Thankful I'm learnin'  
The candles are burnin'  
Don't know where I'm turnin'  
The mirror is blurrin'  
In Hell I am burnin', yeah

The mirror in your eyes  
(The mirror in your eyes)  
Is tellin' me what I've become alive and that is why  
There's pain inside your eyes

(The mirror never lies)  
The mirror in your eyes
