All my live it took me years to find my way,  
so hard for me to turn my world around.  
Ain't no way to dry my tears or ease my pain,  
I feel like I am burning out.

It seems so long ago, it seems so long ago,  
like I have been before  
you taught me humbleness.

You turn my world around  
turn it upside 'n' down  
You turn my world around  
I cry without a sound

All in vain, no second chance to give it back,  
you shouldn't have to take it all.  
All was stained and then this chain around the neck...

It's so hard to say, it's so hard to say  
if I can stand this grief  
you have me bitter years.  
You turn my world around  
turn it upside 'n' down  
You turn my world around  
I cry without a sound

You came into my live,  
took away what I've loved the most.  
You dried my heart and you killed my soul...

You turned my world around  
turn it upside 'n' down  
You turned my world around  
I cry without a sound
