Hear the story of a loser, an addicted man.
He has spend his whole life gambling game called
twenty one

Now I'm gonna win for sure hit me with an 8
All I have I'm bringing in, everything, that's right

High on emotion, spreads his wings to fly high
What the world would say if he'd be number one

(Chorus)

And one day he'll win in shine and glory
He would be the lucky one
But for real it was a different story
Never hit a 21

Now the 3 is tumbling in not enough for me
6 is up and dealer smiled now there's gotta be

Back in the gutter there is nothing left, and
Once again he's falling from the highest ground

(Chorus)

And one day he'll win in shine and glory
He would be the lucky one
But for real it was a different story
Never hit a 21

Back in the gutter there is nothing left, and
Once again he's falling from the highest ground

(Chorus)

And one day he'll win in shine and glory
He would be the chosen one
But for real it was a different story
Never hit a 21

And one day he'll win in shine and glory
He would be the chosen one
But for real it was a different story
Never hit a 21, never hit a 21...

Hear the story of a loser, an adicted man
He has spend his whole life gambling ruled by 21
