All is grey, grey today
Today I don't want to stay
What I say, what you say
Is not getting through today

Bitter face, empty eyes
There has been so many smiles
But my lips, paralyzed
Poisoned heart and poisoned mind

It vanished in haze
I'm falling from the grace
This is another of those days
All vanished in haze, vanished in haze

Give me time, let me go
There's so much I could not show
Leave my will to the flow
More to be as I will grow

It vanished in haze
I'm falling from the grace
This is another of those days
All vanished in haze, vanished in haze

It vanished in haze
I'm falling from the grace
This is another of those days
All vanished in haze, vanished in haze

It's alright, it is good
There's a lot I've understood
We will get what we need
All is meant to be complete

It vanished in haze
I'm falling from the grace
This is another of those days
All vanished in haze, vanished in haze

It vanished in haze
I'm falling from the grace

This is another of those days
All vanished in haze, vanished in haze

Vanished in haze, haze, haze, haze
Vanished in haze, haze, haze, haze, haze
Vanished in haze, haze, haze, haze, haze
Vanished in haze, haze, haze, haze, haze
Vanished in haze, vanished in haze
