I believe in the dark  
I am afraid of the world  
'Cause it scares me, I know

People don't like me, talk behind my back  
Avoiding the look in my disfigured face

I'm just waitin' for the moon to come and set me free  
And I'm just waiting for moonlight and then my eyes  
you can see  
Well, I'm just waitin' for the moon to come and set me  
free  
Because the moonlight can release me from my misery

Hide my face in the day  
Tonight, I'll set myself free  
I'm addicted too moonlight

Run with the wind, feel the wet in the air  
A pleasure for me and my distorted soul

I'm just waitin' for the moon to come and set me free  
And I'm just waiting for moonlight and then my eyes  
you can see  
Well, I'm just waitin' for the moon to come and set me  
free  
Because the moonlight can release me from my misery

Hid my face in the day  
Tonight, I'll set myself free

Run with the wind, feel the wet in the air  
A pleasure for me and my distorted soul  
I feel like the cat walkin' up on the wall

I'm just waitin' for the moon to come and set me free  
And I'm just waiting for moonlight and then my eyes  
you can see  
I'm just waitin' for the moon to come and set me free  
Because the moonlight can release me from my misery

Well, I'm just waitin' for the moon, oh, oh

Well, I'm just waitin' for the light, oh, oh  
Well, I'm just waitin' for the light, oh, oh, yeah  
Oh, oh, oh
