listen up baby  
we got something you should know  
there's a riot in the streets  
and you are in the show  
just tighten up yer jaw  
and thicken up yer hide  
cuz these rebel outlaws  
gonna show you how to ride!

1978 in the year of our lord  
we is rebel trash you know  
it was a time for feelin right  
that's when we come out to ride  
the smell of blood be our guide

chorus:

let's creepy crawl through broken jaws  
roll them bones out on the lawn  
show them all how it feels  
to shake the urge we have to kill  
we'll show them all  
ride  
werewolves on wheels

round the pit  
werewolves howl and sing  
high on flesh suckin moonshine gasoline  
fire our guns cuz we're proud of bein thugs  
there's nothin like a fine-tuned machine

watch the leather on our backs  
burnin down the road  
we're on the hunt for another overload  
TNT like a stick of dynamite  
who gives a damn if we come out alive
