One look was all it took
and everything was said my darling
One look was all it took
and you were in my head my darling

I stood like an open book
waiting to be read my darling
One look was all it took
and you were in my head my darling

It's something so surreal
the stupid way you make me feel
When everything is said and done
somehow you are still the one

Don't make me wait
So I-ah-ah-hong
To hesitate
Would be wr-ah-ah-hong
Don't make me wait
So I-ah-ah-hong

One day I think we may
settle down together baby
One day I bet you say
there is nothing better baby

That day when you won't stay
someday becomes never baby
That day is far away
so I won't think about the maybes

It's something so surreal
the stupid way you make me feel
When everything is said and done
somehow you are still the one

Don't make me wait
So I-ah-ah-hong
To hesitate
Would be wr-ah-ah-hong

Don't make me wait
So I-ah-ah-ah--ah-ah-ah--ho--ah-ah-ah--ah-ah-ah-oh

Would you like a city by the sea?
You could build a life with me
Don't think twice
I think it would be nice
A life of over flattery

It's something so surreal
the stupid way you make me feel
When everything is said and done
somehow you are still the one

Don't make me wait
So I-ah-ah-hong
To hesitate
Would be wr-ah-ah-hong
Don't make me wait
So I-ah-ah-ah--ah-ah-ah--ho--ah-ah-ah--ah-ah-ah-oh
