So seventeen, but she knows  
She knows that's just this boy needs  
Knows what to do  
When she's with me, she's just thinking of you  
And she's never gonna love me  
Still, she's leading me about  
And since she's never gonna love me  
I'll be seeing myself out (sha la la la)  
In (sha la la la)  
And in and out and in again  
And now (sha la la la)  
And then (sha la la la)  
It's him or me but lose or win  
I'll walk out into the sun (walk out into the sun, oh no)  
Where it sounds like everyone is out having fun (oh no)  
While I'm in here  
She'll cause a scene  
'Cos she knows  
She knows what gets to me  
The Middle East - her favorite target  
Quite conveniently, she's never looked so lovely  
Has she?  
As she moves her mouth, is she saying that she loves  
me?  
Could be. but she's not talking  
No, she's not talking now (sha la la la)  
Then (sha la la la)  
And in between all lead to when I'm out (sha la la la)  
In (sha la la la)  
In bed again, but still pretending  
Walk out into the sun (walk out into the sun, oh no)  
Where it sounds like everyone is out having fun (oh no)  
While I'm in here and low  
So low  
Sure as I'm the last one here to know  
The girl's not only playing games with me  
Well, I'm high  
So high  
Again I am the last to find out why  
But I won't let that bother me.  
Walk out into the sun (walk out into the sun, oh no)

Where it sounds like everyone is out having fun (oh no)  
While I'm in  
I'll walk out  
Into the sun x3
