I'm leavving so carry on for keepsake
Go find the love you won't save
Kiss kiss goodbye
Left cheek to no reply

I practice my fall to make it easier
I say the things that I can never ever say
Then blink because it's over
I don't care I don't ever wait
Still remember that look upon your face
When we would start to kiss
Well blink because it's over

I'm leaving so carry on for keepsake
Go find the love you wont save
Kiss kiss goodbye
Left cheek to no reply
Leave me at the botton of your letter
I try hard to forget you
It's a common way of nothing at all

If the sky falls where is yesterday
I won't feel cause feeling is another day
Well blink cause now its over
We move too fast to ever wait
Still remember the look upon your face
When we would start to kiss
Well blink because it's over

I'm leaving so carry on for keepsake
Go find the love you wont save
Kiss kiss goodbye
Left cheek to no reply
Leave me at the botton of your letter
I try hard to forget you
It's a common way of nothing at all, at all

So leave and take
It's a common way of nothing at all

I'm leaving so carry on for keepsake

Go find the love you wont save
Kiss kiss goodbye
Left cheek to no reply
Leave me at the botton of your letter
I try hard to forget you
It's a common way of nothing at all (x2)
