No more waiting anticipating
Now she's coming round my way
If she could only see within me
All the words I wanna say
Guess I've never been a king
At these games we have to play
I'm still searching for something
That would make you wanna stay
Like...

I can be what you want
Bring what you need
Can't you see what we got
'Cause there ain't nobody
Who can be what you want
Bring what you need
Can't you see what we got
'Cause there ain't nobody
But me

Well there ain't no second chances
Babe I gotta get it right
Yeah I'm feeling this romance girl
And I'm needing you tonight
Yeah you got me in a trance
And I can't put up a fight
How I hope this night advances
Until the morning light

I can be what you want
Bring what you need
Can't you see what we got
'Cause there ain't nobody
Who can be what you want
Bring what you need
Can't you see what we got
'Cause there ain't nobody
Who can be what you want
Bring what you need
Can't you see what we got
'Cause there ain't nobody
Who can be what you want
