jhin jhin jhanan na jhin jhin jha.....

itana samajho humraahee
ho itana samajho humraahee haay
bin tere mere saathi, kyun suni har baadi haay
aisa hai khumaar tere mere pyaar ka
khilata hai chaman mausame bahaar ka
aisa hai aalam ho mere mitawa ruke na rukega
kuchh tera na mera hai pal se churaane jivan behata
paani
yeh lamaha hi hai apana bana le, baaki sab hai paani
ho o dil ki dhadkan ne hai pukaara tujhe hi hamraahee
jhin jhin jhanan na jhin jhin jha..... (tujhe hi)

jabse naina laage
ho o o o jabse naina laage haay
hmm sau tufaana hai jaage
hosh udaaye hamaare hmm...
aisi basi ho tum mere rag rag mein
jo bhi rubaru ho mere tann mann mein
aisa hai nasha o mere mitawa roke na rukega
kuchh tera na mera hai pal se churaane jivan behata
paani
yeh lamaha hi hai apana bana le, baaki sab hai paani
ho o dil ki dhadkan ne hai pukaara tujhe hi hamraahee
jhin jhin jhanan na jhin jhin jha..... (tujhe hi humraahee)
tujhe hi humraahee....
