ooow baby,yeaaaaaaaaaaaaaaaaahhh baby

She has it all worked out (ringy dingy ding daing, dingy ding daing)

becoz there aint no doubt, i walked out and i want her back

do you really think im down like that,  
girl i know you've had it rough when  
guys have done you wrong, but suddenly  
i've lost your trust and everythings my fault  
cant you see that im the one to catch you when youu  
fall

Chorus

But now the seasons changed,  
for our life imperfections now theres me to blame,  
i get the impression you dont feel my pain,  
girl i got a question, why you just dont feel the same ?

She dont believe a word i say,  
it never used to be this way,  
now she complains that i just won't do  
but girl i swear im telling you the truth ,  
girl i know youv'e had it rough when guys  
have done you wrong, but suddenly i've lost  
your trust and everythings my fault  
cant you see that im the one to catch you  
when youu fall

Chorus X 1

girl i know you've had it rough when
