Oh baby...  
Ooh...

Well I know we just met yesterday  
But things feel oh so right  
'Cause you always know just what to say  
Or what is on my mind  
Well I feel I'll need a special way to ask you to be mine  
But I don't know when's the perfect day  
What's the perfect time

Babe you leave me confused  
Don't know if I should let you know  
Or wait it out girl  
Wish I knew just what to do  
I'm so confused

So girl what you wanna see  
Wanna see me get down on my knees  
Wanna hear me beggin' baby please  
Wanna feel me crying for mercy  
Oh girl  
I wish I knew your world  
I think I'm losing my head  
Over you girl

Well I know that it maybe too soon  
To know just what you'd like  
But I wanna know what you've been through  
What you want from life  
It's so real the way I feel  
So true  
It's been so hard to find  
Wanna know how you feel for me to  
So I'll make up my mind

Babe you leave me confused  
Don't know if I should let you know  
Or wait it out girl  
Wish I knew just what to do

I'm so confused

So girl what you wanna see  
Wanna see me get down on my knees  
Wanna hear me beggin' baby please  
Wanna feel me crying for mercy  
Oh girl  
I wish I knew your world  
I think I'm losing my head  
Over you girl

Well someone once told me  
That you'll end up lonely  
Don't let love ever pass you by  
'Cause I've seen it happen to  
People that matter to me  
With my very own eyes  
Maybe they were mistaken  
And I should be waiting  
For you to show me a sign  
Or should I just let you know  
That if I let you go  
I'd wonder the rest of my life

So girl what you wanna see  
Wanna see me get down on my knees  
Wanna hear me beggin' baby please  
Wanna feel me crying for mercy  
Oh girl  
I wish I knew your world  
I think I'm losing my head  
Over you girl

So girl what you wanna see  
Wanna see me get down on my knees  
Wanna hear me beggin' baby please  
Wanna feel me crying for mercy  
Oh girl  
I wish I knew your world  
I think I'm losing my head  
Over you girl
