Walk with an impure mind  
Revelations unkind  
Abject denial of the flesh I feel  
Endure and make my mark  
It's never time to start  
Believing everything will all work out

Bloody knuckles  
Empty cavity  
Swift disposal  
Empty cavity

We've blinded ourselves sick  
To create room for it  
Never arriving when it's needed most  
Anticipation burns  
Unquenchable we learn  
Left holding nothing but the will to live

Bloody knuckles  
Empty cavity  
Swift disposal  
Empty cavity  
Why?  
Why?  
Why?  
Why?

Negative takes its toll  
Constant release and hold  
Beware the trust that you  
Instill in me  
Beware the trust that you  
Beware the trust that you  
Beware the trust I instill in me

Bloody knuckles  
Empty cavity  
Swift disposal  
Empty cavity  
Choke it up

Choke it back  
Choke it down  
Choke it away
